BOOK SYNOPSIS

In her memoir, "the screen actress writes of her family--the one she was born into and the one she created. She shares stories of her father, a Vietnam vet who was bowed but never broken by life's challenges, and of her mother who survived violence both in the home and on DC's volatile streets. Here too she opens up about her experiences as a single mother, a journey some saw as a burden but which she saw as a gift"--Amazon.com.
