Bake it Great' is the first book from Great British Bake Off finalist Luis Troyano. The Manchester-based graphic designer wowed the nation with his striking and ambitious creations and now he wants to pass on his knowledge of how to make your bakes outstanding in this book of 100 recipes. Not content with making something taste great, Luis wants it to look great as well - he believes even the simplest of bakes can be show-stopping, from Bakewell cupcakes to eye-catching centrepiece breads. And it doesn't stop there, with Luis' help even the novice baker can work their way up to an ambitious g?teau and know that it will turn out spectacular. Luis' simple tips and meticulous instructions will demystify the art of baking, from getting to know your oven, to the finer arts of finishing, meaning you simply can't go wrong. Chapters on cakes, breads, sweet doughs, snacks and slices, tarts, pies and pastries, with focus chapters on Spanish recipes and cooking with honey, mean that the basics are all covered.
