BOOK SYNOPSIS

[NOTE: each novel in the boxed set is about 74,000 words for a total of approximately 850 printed pages] This three-book romantic comedy series is all about starting from nowhere (no dating skills, no passion for a corporate job, low self-esteem), and undergoing a big transformation. The years go on, the landscapes change, and all along our heroine genuinely grows, as she moves past failures, achieves personal goals, becomes a better friend, and even gets the chance to fall in love. More specifically, theres Internet romance (or obsession? Fine line...), theres a meeting with the right guy at the wrong time, theres long-distance romance turmoil, and theres a life-changing journey to a totally different place. The stories are told in a bold narrative with punchy dialogue, to give this series a little more edge than your typical chicklit books. Throughout the series theres also an underlying tension caused by culture clash, when a strict Indian background brings up totally unpleasant scenarios (pressure to get married, pressure to get an ARRANGED marriage...you get the drift). ----- LENGTH: each romantic comedy is a full-length novel of about 74,000 words (or between 280-285 printed pages each) DISCLAIMER: the books contain occasional profanities and mild sexual references
