BOOK SYNOPSIS

Margaret Georges exhaustively researched novel skillfully weaves both historical fact and plausible fiction in bringing the story of Mary Queen of Scots to life. She was a child crowned a queen.... A sinner hailed as a saint.... A lover denounced as a whore... A woman murdered for her dreams... Margaret Georges Mary Queen of Scotland & the Isles brings to life the fascinating story of Mary, who became the Queen of Scots when she was only six days old. Raised in the glittering French court, returning to Scotland to rule as a Catholic monarch over a newly Protestant country, and executed like a criminal in Queen Elizabeths England, Queen Mary lived a life like no other, and Margaret George weaves the facts into a stunning work of historical fiction. "With a seamless use of original letters, diaries, and poems: a popular, readable, inordinately moving tribute to a remarkable queen." -- Kirkus Reviews

MARY QUEEN OF SCOTLAND AND THE ISLES A NOVEL - Are you looking for Ebook Mary Queen Of Scotland And The Isles A Novel?
