BOOK SYNOPSIS

A troubled fighter. A girl with a dark past. One last chance. When a motorcycle collision forces MMA light-heavyweight phenom Rafe Maddox to take a break from training, his manager convinces him to spend that time making a name for himself outside the ring. Which is how he finds himself in the last place he ever expected to be: a reality dating show. Lily Sullivan is no stranger to regret. But breaking Rafe Maddox's heart was the biggest mistake she's ever made, and now she's desperate to make it right. Only Rafe refuses to talk to her. When Rafe agrees to be the bachelor on a reality dating show, Lily knows it's her last chance to try to win him back. She hopes their time together will remind him of what they once had, but with each encounter it becomes clearer that the only thing stronger than their attraction to each other is Rafe's determination to shut her out. But no one said the fights worth winning are easy, and this time they're fighting for the ultimate prize: his heart.
