BOOK SYNOPSIS

Before their military heroism in the Clone Wars, before their tragic battle on Mustafar, and many decades before their final confrontation on the Death Star, they were Master Obi-Wan Kenobi and his young Padawan, Anakin Skywalker. Now join them a few years into the "chosen one" Anakins training. Teacher and student have grown closer over time, but its been a difficult road. And things arent about to get any easier. In fact, when they are called to a remote planet for assistance, the pair may be pushed to breaking point. As they find themselves stranded on a strange world of primitive technology and deadly natives, will they be able to save themselves? First they must learn who called for help...and why!
