## BOOK SYNOPSIS

A widow at twenty-six, Primrose Bloom returns to idyllic Good Hope, Wisconsin, with her two rambunctious young boys, seeking the beauty of the lakeside landscape and the comfort of home. After the loss of her husband and her job, all she's looking for is peace. Prim is resolved not to date again until her boys are in college, but her will starts crumbling whenever she's around her former high school debate partner, Max Brody who just happens to live in the charming cottage next door. Max has reservations of his own about giving love a second chance and is determined to keep his distance. But when the two pair up to work on the town's Fourth of July celebration, the fireworks over Green Bay aren't the only sparks flying. Are Prim and the small-town boy she left behind perfectly wrong for each other or perfectly right?"
