BOOK SYNOPSIS

"Football is built upon the dreams of players like Kurt Warner, who was told he didn't have what it takes to play at the professional level. It's about people like Mike Singletary, who was told he was too small to ever make it big. It's about Steve Largent, who was told he was too slow to excel. These are men who have been inspired by a dream and, in turn, inspired others to dream with them and follow. They prove that true champions are not swayed by circumstances, labels, or past experiences, but rather are driven by a force within that pushes them to become something greater than they could have become by themselves. They are men who inspire us to push beyond our own limitations to reach our destiny. The dream is about what we are not yet, but can become. Highlighted by comments from some of the game's greatest players, a stunning collection of photographs from Tom Henry, and the classic writing of author Steve Riach, this one-of-a-kind book reflects contemporary images and makes memories for tomorrow.
