BOOK SYNOPSIS

Learn to run a ranch? Angelina Bay would rather wear last season's clothes. But if she doesn't, her father says she can kiss her inheritance goodbye. Teach a spoiled heiress how to ride a horse? Not in this lifetime. Rafe Grayhawk is busy enough as a ranch hand, saving every extra penny to fund his chronically ill father's move to Arizona—until beautiful Angelina makes him an offer he can't refuse. Rafe's rules are simple—show up on time for lessons and do everything he tells her. Angie balks at authority, but soon riding lessons with the handsome hand are the least of her problems. She may lose her inheritance anyway, and Rafe is the only person who can help her.
