## **BOOK SYNOPSIS**

"No secret stays hidden forever." A phone call from an old friend sets Dr. Giovanni Vecchio back on the path of a mystery he abandoned years before. He never expected a young librarian could hold the key to the search, nor could he have expected the danger she would attract. Now he and Beatrice De Novo will follow a twisted maze that leads from the archives of a university library, through the fires of Renaissance Florence, and toward a confrontation they never could have predicted. *A Hidden Fire* is a paranormal mystery/romance for adult readers. It is the first book in the Elemental Mysteries Series. "A tantalizing paranormal romance, full of mystery and intrigue. One of the best books I've read in a long time. Sign me up for book 2!" -Nichole Chase, author of *Mortal Obligation*, Book One of The Dark Betrayal Trilogy
