BOOK SYNOPSIS

Tom likes lots of different things. He likes singing and watching TV in the family room. There are also things that Tom enjoys doing in private, like touching his penis. This accessible and positive resource helps parents and carers teach boys with autism or other special needs about masturbation. It covers when and where it is appropriate and helps to establish boundaries surrounding privacy more generally. With simple but explicit illustrations, this book provides the perfect platform to talk about sexuality with boys and young men with autism or special needs.
